

AlbaChem® ALBA Wash Hook Cleaner/Lubricant

Alba Wash is the best way to clean and lubricate the moving parts on embroidery and other machinery. The powerful stream will force away dirt and grime. A coating of clear mineral oil will be left on the surface to protect parts from corrosion.

Benefits:

- Removes oil, grease, adhesive, residues, debris, and other impurities
- Prevents corrosion and oxidation
- Will not harm electronics

Directions for use:

Remove rotary hook cover and bobbin case. Hold an absorbent cloth down to capture liquid and particles. Spray rotary hook area completely. Dry with compressed air or AlbaChem Big Shot Duster Spray. Lubricate according to recommendations.

Packaging:

Item No.	Size	Case Pack	Case Weight	Hazmat information *
1615	Net Wt. 11 oz	12	12 lbs.	Limited Quantity

*The Limited Quantity Exemption is only valid for NAFTA (United States, Canada and Mexico) ground shipments. A limited quantity label must be affixed to the outer carton. Air shipments to any location (domestic or international) and ALL shipments outside of NAFTA require a flammable gas label. The proper shipping name is: Flammable Gas 2.1, UN 1950.

Technical Data:

Physical properties:

Appearance: Clear colorless liquid in aerosol can Solubility in water: negligible
Odor: Slight petroleum odor
Chemical family: Mixture of hydrocarbon oil and solvent

Environmental:
Volatile Organic Compound (VOC): < 50%
Hazardous Air Pollutant (HAP): No
Emits substances that destroy the ozone layer: No
SARA 313 chemicals: None
Does not contain alkylphenol ethoxylates
