

Plast Wipe
Press Wash

Plast Wipe is a highly effective, water soluble press wash for plastisol and other screen print inks. Cuts ink fast, wipes off clean with little or no residue.

TIP: Plast Wipe can also be used to clean up water-based pallet adhesives from pallets. Plast Wipe will not "lock-in" emulsions, making the reclaiming process faster and easier. Great for color changes on press or clean-up in the reclaim area. Use Plast Wipe manually, in re-circulation systems, or enclosed automated systems.

- Great ink cutting
- Fast evaporation
- Perfect for color changes
- Low odor, high flashpoint

Packaging:

32 oz (12 per case)	Item No. 4006
1 Gallon (4 per case)	Item No. 4007
5 Gallon Pail	Item No. 4008
55 Gallon Drum	Item No. 4009

Safety:

- Not DOT Regulated for Shipping (as packaged)
- Flashpoint over 141°F
- Low Vapor Pressure
- No Toxic Chemicals
- No SARA 313 reportable chemicals
- Neutral pH – Non-Corrosive

Directions for use:

Card off excess ink. Apply Plaswipe with spray bottle to ink side of screen and wipe-off with absorbent cloth. Repeat on press side of screen.

Technical Data:

Appearance:	Liquid, Water White
Odor:	Mild Lemon
Shelf Life:	> 1 Year
Flashpoint:	142°F
pH Value:	Neutral
Non Exempt V.O.C.'s:	778.4 grams per liter
Vapor Pressure:	0.8 mm Hg @ 20°C
Solubility in Water:	Partial

HMIS HAZARD RATING:

Health:	1 (Slight)
Flammability:	2 (Moderate)
Physical Hazard:	0 (Insignificant)
Personal Protection:	B (Gloves & Eye Protection)
CA Prop 65 Chemicals:	None
Hazardous Air Pollutants:	20.4% Wt.
Transport Information:	Not Regulated in containers less than 119 Gallons

WARNING: This product can expose you to Ethylene Glycol, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov
