PIF 00701

FOAM CONTROL

CONCENTRATED LIQUID DEFOAMER

RECOVERY TANK

2 oz

PER 5 GAL CAPACITY

pH 6–9 | 2 oz per 5 gal tank | Silicone defoamer

Carpet

DESCRIPTION

Foam Control is a concentrated, water-based silicone defoamer and antifoam that eliminates and prevents foam buildup. It works in applications from carpet extractor recovery tanks and wet-vacuum systems to industrial sewage plants, with superior defoaming and dispersing action even at extreme acid or alkaline pH.

ADVANTAGES

Eliminates & Prevents Foam
Defoamer and antifoam; works at extreme pH

Compatible with Detergents
Compatible with detergent systems

Low Viscosity
Thin, water-based silicone formula

Easy to Use
Use as supplied or reduce with water

DIRECTIONS

1. **Carpet extractors:** Shake well before using. With a trigger sprayer, spray 1–2 oz on the inside walls and deflectors of the recovery tank; repeat each time the tank is cleaned. Add 2 oz of Foam Control to the recovery tank for each 5 gallons of tank capacity, and more as needed.
2. **Sewage plants, long-term control:** For aeration tanks, digesters and sewage entry or effluent lines, fit a small valve to the drum's small bung and run tubing to the aeration tank entry flume or foaming area. Drip 1 gallon of Foam Control per 1,000 gallons of waste.
3. **Sewage plants, immediate relief:** Over-spray the foaming area with Foam Control diluted 1:10 with water. Adjust the concentration as conditions change.

USE RATES

APPLICATION	RATE
Recovery tank walls & deflectors	1–2 oz, sprayed, each tank cleaning
Recovery tank	2 oz per 5 gal of tank capacity
Sewage, long-term control	1 gal per 1,000 gal of waste
Sewage, immediate relief	1:10 with water, sprayed

Rates from the directions above. Use more as needed; adjust for changing conditions.

AVAILABLE PACK SIZES

ITEM NO.	PACK SIZE	DOT
00701-D5503	55 gal	Not regulated
00701-P5004	5 gal	Not regulated
00701-C4001	4 × 1 gal	Not regulated

FOAM CONTROL

TYPICAL PRODUCT CHARACTERISTICS

Appearance	White, opaque liquid	**Flashpoint**	Above 200°F (93°C); Class IIIB combustible
Odor	Mild	**Solubility**	Complete in water
pH	6–9	**Foam**	None
Specific Gravity	1.005	**Rinsability**	Excellent
Weight, per U.S. gallon	8.4 lbs	**Stability**	Excellent
Viscosity	Thin		

SAFETY & HANDLING

HAZARDS (GHS)

NOT CLASSIFIED

- Not classified as hazardous under OSHA HazCom (GHS)
- May cause mild eye and skin irritation
- Inhaling sprays or mists may irritate the respiratory tract
- Swallowing may cause nausea, vomiting and gastrointestinal irritation

FIRST AID

- **If in eyes:** Flush with water for at least 15 minutes, holding eyelids open. Remove contact lenses. Get medical attention if irritation persists.
- **If on skin:** Wash with soap and water. Launder contaminated clothing before reuse. Get medical attention if irritation persists.
- **If swallowed:** Do not induce vomiting. Call a physician immediately.
- **If inhaled:** If symptoms develop, move to fresh air.

PROTECTIVE EQUIPMENT

- **Eyes:** Safety glasses with side shields or splash-proof goggles
- **Hands & body:** Chemical-resistant (impervious) gloves; normal materials-handling clothing
- **Breathing:** NIOSH-approved protection if mists or sprays cause irritation

STORAGE & DISPOSAL

- **Shelf life:** 1 year minimum at 75°F in the original closed container.
- Keep from freezing.
- **Lot number:** bottom right corner of every label, a Julian date followed by the item number.
- Keep away from heat, flame or sunlight. Keep container closed when not in use; protect from physical damage.
- Store away from strong oxidizers and strong acids.
- **Disposal:** Do not dump into sewers, on the ground or into any body of water. Dispose of contents and container per federal, state and local regulations. Emptied containers retain residue; follow label warnings.

Safety information summarized from the Foam Control Safety Data Sheet. The SDS governs; see it for full precautions.

RECOMMENDED APPLICATIONS

- Carpet Shampoo Defoaming
- Truckmounts
- Portable Extraction
- Rotary Extraction
- Foam Extraction
- Wet Vacuum Systems
- Industrial Applications
- Sewage Aerators
- Digesters
- Scum Blankets
- Cooling Towers
- Pulp & Paper Operations

REGISTRATIONS & COMPLIANCE

GHS signal word	None (not classified as hazardous)
DOT, all pack sizes	Not regulated
